The first thing I saw when I stepped
 out of the plane in New York was
 the most beautiful I ever saw
 the city was so beautiful
 the people were so friendly
 the food was so good
 the weather was so nice
 I was so happy to be here
 I was so glad to see you
 I was so proud to be a part of it
 I was so lucky to have you
 I was so grateful to have you
 I was so honored to have you
 I was so blessed to have you
 I was so fortunate to have you
 I was so privileged to have you
 I was so grateful to have you
 I was so happy to have you
 I was so glad to have you
 I was so proud to have you
 I was so lucky to have you
 I was so grateful to have you
 I was so honored to have you
 I was so blessed to have you
 I was so fortunate to have you
 I was so privileged to have you
