

LEVAN MOSIASHVILI

«Georgia in love»

18-25 APRIL, 2013

Levan Mosiashvili was born in 1971, in Tbilisi. The first serious painting dates from 1993. Since then, painting has been his only profession. His admirers consider his works as comparable to those of Pirosmiani, Chagall, Matisse, Peynet. The recognition took time, effort, commitment, and a special caring attitude to art and his Georgian roots.
