## COUNTRY PROFILE

**Georgia**, located at the crossroads of Europe and Asia is covering a territory of 69 000 square km. Known for its ancient history, incomparable culture and identity, number of UNESCO World Cultural and Natural Heritage sites, and warm hospitality creates an inviting and inspiring atmosphere for all visitors. The fascinating Caucasus Mountains and the Black Sea Coastline showcase the marvelous landscapes while savoring Georgian unique gastronomy and wine. Georgia and the City of Batumi offer a wealth of experiences including contemporary infrastructure, that also ensures an exceptional choice for MICE events.

Over the past twenty years, Georgia has undertaken significant reforms resulting in notable political and economic advancements. In 2014, Georgia signed the Association Agreement with the European Union, marking an important milestone in its relationship with the EU. Additionally, Georgia has prioritized fostering business development within its borders by promoting entrepreneurship, offering private investments, and implementing tax incentives. These efforts have positioned Georgia as an appealing choice for the global business community.

## VISIT BATUMI

### *The City of Meetings*

Welcome to Batumi, a charming coastal city located on the Black Sea coast of Georgia, internationally acknowledged as “Europe’s Leading All-Season Destination.”

Batumi is one of the most dynamic cities in the region, expanding rapidly and innovating in a variety of industries. City is famous for its unique blend of modern and historic architecture, with a mix of sleek skyscrapers and elegant 19th-century buildings. Batumi is an ideal destination for international meetings with its world-class international brand hotels, breathtaking surroundings, and warm hospitality. Batumi not only presents a historical journey but also boasts the vibrancy of a modern city with international festivals, exhibitions, and sporting events. Batumi’s recognition as part of the UNESCO Creative Cities Network in 2019, as well as the increasing number of international events held here, has further solidified its status as a global tourism destination.

According to its geographical location, Batumi is an easy meeting point for international travelers for a few hours of flying from Europe and Asia. Georgia's **VISA** policy allows citizens of 98 countries to enter Georgia with a visa-free regime for one full year and resident permit holders of 50 states for 90 days. The Ministry of Foreign Affairs of Georgia has launched an e-visa portal, allowing short-term visitors to get a visa effortlessly. **Safety** is a primary objective in Batumi, as the city has a low crime rate and provides a safe environment for visitors. Numerous prominent publications have named Georgia among the top countries regarding safety.

**VISIT BATUMI**, a tourism and business destination, is acquiring international recognition that can provide an unforgettable MICE experience.

## ECONOMIC OVERVIEW

Georgia's strategic geographic location and favorable business environment have positioned it as a key player in East-West trade. The country has a proven track record of successful cooperation and strong partnerships with the EU and neighboring nations, establishing credibility in policy-making and fostering ongoing collaborative efforts for economic coordination and developing secure and efficient value chains.

Georgia remains an attractive investment destination and the legal, business, and investment environment has been highly assessed in international rankings by various international rating institutions. According to World Governance indicators, Georgia has made progress in terms of regulatory quality and government effectiveness and is ahead of the regional average. According to the OECD FDI Regulatory Restrictiveness Index, Georgia ranked 8th among more than 80 countries as one of the most open economies in the world in terms of attracting investments. Georgia ranked first out of 120 countries in the budget transparency ranking of the Open Budget Index. According to the NUMBEO Safety Index 2023, Georgia is one of the safest countries in the world, 18th in the global ranking.

According to the World Bank classification, since 2019, Georgia has been in the group of upper-middle-income countries. GDP per capita in 2023 is estimated at GEL 21,359 - USD 8121. GDP per capita based on purchasing power parity shows high growth rates, already outperforming several EU candidate countries.

Batumi has quickly become one of the country's most vibrant economic hubs. Renowned for its harmonious mix of contemporary and traditional elements, Batumi is a pivotal link between Europe and Asia, boasting a diverse economy encompassing tourism, substantial infrastructure development, trade, and real estate.

Tourism is a key component of Batumi's economy, attracting millions of visitors worldwide every year. Tourists looking for remarkable experiences will be enticed by the city's gorgeous coastline and diverse seaside activities and attractions. In conjunction with the growth of tourism, Batumi's real estate sector has experienced a substantial surge, with the majority of investment coming from foreign investors. Individuals from around the globe have expressed interest in acquiring property in the city, drawn to its cost-effective investment opportunities in comparison to other Black Sea destinations. This has made Batumi an appealing choice for foreign buyers.

## TOURISM OVERVIEW

The cosmopolitan city of Batumi, situated on the easternmost coast of Europe in Georgia, is rapidly emerging as one of Europe's leading destinations for tourism and business. Batumi offers a unique four-season experience, blending its rich culture, traditions, natural landscapes, and the striking contrast of the Black Sea's coastline with snow-capped mountains. Visitors can savor the region's renowned cuisine and wine, creating an unforgettable and distinctive experience.

Tourism in Ajara has experienced substantial growth in recent years, playing a pivotal role in the region's economic development. The influx of visitors to Ajara continues to rise steadily. Data from the 3rd quarter of 2024 shows a total of 1,179,506 visits to Ajara by foreign visitors, marking an increase compared to the previous year and the pre-pandemic period. In 2023, there were a total of 4,691,633 domestic and foreign visits, representing a 20% increase from 2022 and a 10.4% increase from 2019. In terms of foreign visitors, the number of visits by foreign tourists to Ajara in 2023 reached nearly 2.7 million, showing a 30% increase from 2022 and a 19% increase from 2019.

Georgia's economic success, characterized by a surge in exports and a robust currency, underscores the effectiveness of policies that promote sustainable growth. The collaborative efforts of the government and private sector to invest in infrastructure have further solidified the region's reputation as a top destination for both tourism and business travel. Batumi, with its rich cultural heritage, stunning landscapes, warm hospitality, modern infrastructure, safety measures, and strategic location, is quickly emerging as a top choice for Meetings, Incentives, Conferences, and Exhibitions (MICE) events.

The international acclaim for Batumi as a leading destination for tourism and business is on the rise. Recently, at the World Travel Awards, Batumi was acknowledged as "World's Leading All-Season Destination" for 2024 and has also been recognized as one of the "European Best Destinations for 2024."
